[The Colony Rezoning](#)

Holiday Safety- Keep these things in mind over the next couple of weeks!

- Report **ANY** suspicious activity!
- Look out for your neighbor's and their property
- Keep all doors locked and garage doors closed
- Don't keep items in your car if parked outside
- Lock your car
- Notify your neighbors if and when you will be traveling
- Stop your mail and newspaper if leaving town
- Don't have packages delivered to your house when not home
- Kids are out of school- WATCH THAT CHILD!

THE COLONY Rezoning Update

The developer held a Community Meeting on 11/30 and the City Council Rezoning Meeting

took place on 12/14. Several members of our HOA Rezoning Committee attended.

As stated in the November Update, the developer has made several revisions to the original plans after countless hours of meetings and negotiations. Although the current plan still brings density and with it traffic and other issues, the HOA Board and Rezoning Committee feel that the project is a much "better fit" for our neighborhood than what was originally planned.

The vote for The Colony is January 6th.

A **BIG THANK YOU** to our Rezoning Committee: *Hilary Greenberg, Sam & Sherry Williams, Becky McGrath, Jim Peterson, Tattie Bos, Susan May, Alan Bank, Derek Dittner and Rebecca Fant*
