

## Barclay Downs Happenings

### Upcoming Events

#### **MPHS Campus Clean Up Day- Saturday, September 13th**

We want our campus looking its best before the Open House on September 16. Mulch will be spread and trees, shrubs and beds will be cleaned up to neaten the campus' appearance. "Muscle power" will be needed to take care of some of these tasks, so this will be a great opportunity for our dads who may not normally be able to volunteer at the school during the week to come help out. In addition, this will also be a great opportunity for students to earn service hours. Please drop by anytime between 8 and 12 that morning for as long as you can help. Be sure to bring your tools, including rakes, clippers, shovels, wheelbarrows, electric or gas hedge trimmers. Please contact Leslie Flanagan with any questions regarding this event.

#### **AG Middle- DECA Car Wash- Saturday, September 13- 11am - 2pm**

All donations to the car wash will help the Myers Park DECA Chapter make it to Orlando, Florida for the International Career Development Conference Competition.

#### **Town Hall Meeting hosted by Claire Fallon, City Council At -Large**

Where: University City Library (Community Room)

301 E. WT Harris Boulevard  
Charlotte, NC 28262

When: Sunday, September 28  
2 pm – 4 pm

Why: Constituents, regardless of Council District, are invited to join Council Member Claire Fallon to hear the Mayor's and City Manager's vision for the city and updates and trends from the City's police and fire chiefs.

Light refreshments will be provided.

Attendees must RSVP by calling Kim Oliver at (704) 336-2180 or email [koliver@charlottenc.gov](mailto:koliver@charlottenc.gov).

### **WE NEED YOU- Board Members for 2015**

We are vibrant neighborhood in the middle of a rapidly developing area of Charlotte. To make sure our voices are heard as residents we need to work together and stay informed. The best way to do this is through an active Homeowner's Association. If you are interested in serving please contact our president, Anna Wilder at [president@barclaydownshoa.org](mailto:president@barclaydownshoa.org). The board positions run from February 2015- February 2016.

### Road Closure Update

Due to unforeseen circumstances the 200 block of Manning Drive at Wintercrest Lane **will now reopen Monday, September 15 at 5 p.m.**

This closure is necessary to replace a storm water box culvert. Motorists should detour using Park Road, Scofield Road, and Wintercrest Lane. The road will be closed to all through traffic for the period above.

Local access to residences will be maintained.

### Barclay Downs Website

The BDHOA board has been investigating updating the BD website. It is very antiquated and difficult to use. The board wants the new website up and running before 2015 gets here. We have received a proposal from a local website developer but wanted to open up the opportunity to all our neighbors. If you own or work for a business that does this type of work please contact our president, Anna Wilder at [president@barclaydownshoa.org](mailto:president@barclaydownshoa.org)

### Operation Campus Facelift- Myers Park

Calling all Parents and Alumni with Expertise: We have big plans this year for the campus and would love to have help and guidance from our parents and alumni who own or work in businesses relating to the landscaping, tree removal and construction industries. Who better to help us reach our goal of improving the campus than those that are already in our school community?

Please contact Valerie Busch if you are interested in offering your expertise--we would greatly appreciate any and all help!
