

## Developers' Notes

### *Morrison Regional Library*

**Thursday, Nov. 12 at 7:00 pm** in Morrison's auditorium (7015 Morrison Blvd., Charlotte NC).

Plans for the approximately 2,600 sqft. expansion and renovation will match the building's physical design with the services important to this area. Feedback from the community helped form the plan and they now want to share the results.

Renovation will begin this summer and will close the library for approximately 12-18 months.

### *Colony Apartments*

There will be a community meeting for the Colony Apartment Rezoning on **Monday, November 30th at 6:30 pm** held at the Morrison Library.

The Developer will review the revisions that have been made since we last met, including a lower office building height (3 cheers to our City Council Representative for pressing this on our behalf).

### 1- "Greenlight A Vet"

*Display until Nov. 11th*

WHAT IS GREENLIGHT A VET? America's veterans are some of our nation's bravest, hardest-working men and women. However, it's hard to show them the appreciation they deserve when, back home and out of uniform, they're more camouflaged than ever.

"Greenlight A Vet " is a campaign to establish visible national support for our veterans by changing one light to green. Want to learn more about this? Go to [Greenlight A Vet](#)

I know several people in our neighborhood have vets in their family. We thought it would be great to get the entire neighborhood to have a GREEN LIGHT visible from the street to show our support for the vets.
