Message From the President

Summer is here! Hope everyone is enjoying the nice heat wave. Perfect pool weather I suppose. I can't believe we are almost into July. One of the Board's goals this year was to have a neighborhood get together. We will be getting a food truck and have some other fun festivities for the neighbors to enjoy. Tentative date has been set for Saturday, August 20th. Mark your calendars...more details to come!

Best,
Bernie

Lake Wylie Fireworks July 4th

The fireworks are always shot on the 4th from Camp Thunderbird at dark (just a little after 9:00). The best viewing spot is on the water in the main channel south of

Buster Boyd Bridge. The best place on land would be at the Red Fez club but I believe you have to be a member but not 100% sure. McDowell Park probably isn't the best option but it is open to the public. There is a grass area between T-Bones and the boat landing but be aware that it gets very busy there w people and it will fill up early. Also be aware that after the fireworks the traffic, on and off the lake, will be very heavy leaving. The SC highway patrol, York County Sheriffs, CMPD, DNR, Wildlife and Gaston County Police will also have a very heavy presence on and off the water, and don't rule out the Coast Guard making an appearance too. So please be safe, don't drink and drive and be aware of others! Let's enjoy!! Happy Independence Day!!!!

ULI Update

As many of you know, the city recently hosted a team of consultants to develop recommendations for improving the South Park commercial area. While a final report is still pending, major property owners in the South Park area are meeting to discuss the establishment of a South Park property and business Group. In addition to a smaller executive board, this SP group will have an advisory board that could include representation from interested neighborhoods that are adjacent or near the SP commercial district.

Please be aware that the BD Rezoning Committee, along with BDHOA Board members, have decided to participate in a HOA/neighborhood "meet and greet" where we will discuss the role that residents could have in shaping the direction of future development in SP. We will be getting together Wednesday, June 29th to meet other neighborhood leaders and develop our strategy. More exciting details to follow!

Road Races

We are not aware of any road races coming through our area this month.

Below is a useful link to monitor upcoming races:

2nd Reminder

Kiddos...coming to the Directory soon!

It was suggested by a BDHOA member that we add kid's names and birth years to the directory. Of course this is entirely voluntary but if you are interested...please email the below link and we will work to add them soon!
